

# DOUBLE HOOK

## BEFORE INSTALLING

Read entire double hook installation instructions. Observe all local building and safety codes. For the following installation instructions it is assumed that any old fixtures have been removed and any repairs to the door or wall have been completed.

## INSTRUCTIONS

Unpack and inspect the product for any shipping damages. If you find damages, do not install. Contact Customer Service at 1.866.855.2284. If you need assistance or have questions while installing your double hook contact Customer Service.

We recommend consulting a professional if you are unfamiliar with installing hardware fixtures. Signature Hardware accepts no liability for any damage to the wall or door, or for personal injury during installation.

## TOOLS AND MATERIALS:

Pencil

Drill

Safety Glasses

Tape Measure

Screwdriver

## INSTALLATION

1. Use a tape measure to determine the hook mounting location.
2. Hold the hook in place and mark the positions of the mounting holes with a pencil.
3. Drill mounting holes in the locations marked in the previous step.
4. Hold the hook in position and insert the screws from behind the door or wall. Tighten by hand, and then tighten the screws with a screwdriver until the hook is secure.
