

DECK-MOUNT POT FILLER

INSTALLATION INSTRUCTIONS

Before installing, read entire Deck-Mount Pot Filler Installation Instructions. Observe all local building and safety codes.

For the following installation instructions it is assumed that a cold water supply line has been installed in the desired pot filler location beneath the countertop.

Unpack and inspect the product for any shipping damages. If you find damages, do not install. Contact Customer Service at 1-866-855-2284. If you need assistance or have questions while installing your Pot Filler, contact Customer Service.

We recommend consulting a professional if you are unfamiliar with installing kitchen fixtures. Signature Hardware accepts no liability for any damage to the floor, walls, plumbing or for personal injury during installation.

TOOLS AND MATERIALS:

Basin Wrench

INSTALLATION

1. Remove the lock nut, metal washer, and plastic washer from the pot filler.
2. Thread the pot filler through the mounting hole.
3. Thread the plastic washer, metal washer, and lock nut onto the pot filler from beneath the countertop. Tighten with a basin wrench as needed.
4. Attach the pot filler handles as necessary and secure with an Allen wrench.
